BEYOND THE CLASSROOM

Parents and Kids Share this week's Lessons!

K/1ST/2ND – Moses and the BURNING BUSH – have your child explain what “I AM” means and why God said this to Moses

3rd Grade – The Yearly Jewish Calendar – Why do we celebrate the same holidays every year? Why are these events so important to Jewish Life? Spend time sharing the RESPECT for LIVING THINGS Calendar made by the Children

4th Grade - What does it mean to be part of the Jewish HEALING Community? Can PRAYER heal? Students share life experiences with sickness and death and come to realize that it's the community that helps one another through hardship. Talk with your son/daughter about HOW this affected out TSSB 4th graders.

5th Grade – SHABBAT in a BOX? Think out of the BOX and bring Shabbat to life in your own homes – the 5th Grade Project will soon be on sale to help us all celebrate Shabbat

6th Grade – Cryptograms to God? Students study the MYSTERY of God by decoding messages sent to Abraham, Joseph and Moses.
